**ADVANCE PROJECT NOTIFICATION: FULTON ROAD WIDENING PROJECT, FROM GUERNEVILLE ROAD TO PINER ROAD**

Dear Residents and/or Property Owners,

The City of Santa Rosa is finalizing construction plans to widen Fulton Road from Guerneville Road to Piner Road. The Project will include the installation of two travel lanes for traffic in each direction, medians, bike lanes, sidewalks & curb ramp improvements, stormwater runoff treatment, and landscape within the length of the Project's one-mile corridor on Fulton Road. The Project is anticipated to take approximately eighteen (18) months with an estimated start date of May 2022. See reverse for project limits.

Completion of this project is vital to the integrity of our community infrastructure. Some of the benefits this project will bring to your neighborhood include:

- Improving circulation, safety, and overall connectivity along Fulton Road.
- Improve sidewalks, ADA access, bicycle lanes, and access to facilities.
- Improve drainage facilities and stormwater quality features.
- Enhance corridor aesthetics with drought-tolerant median and roadside planting.

Though temporary impacts to your neighborhood are inevitable, our goal is to improve our community infrastructure without creating any more disturbance than necessary. The contractor will not conduct any activities that generate noise earlier than 7:00 am to 7:00 pm, Monday - Friday. No lane closures will take place outside of these hours. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project. Please feel free to contact me at (707)543-4521 (or e-mail at [ccatbagan@srcity.org](mailto:ccatbagan@srcity.org)) if you have any questions or concerns. Please, visit [www.srcity.org/FultonRoadWidening](http://www.srcity.org/FultonRoadWidening).

We will update you with another letter approximately two weeks prior to the start of construction. In addition to written communications like this, the City has a special website where you can track the progress of this project. Simply go to [www.srcity.org/CIP](http://www.srcity.org/CIP), view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 01178.

Sincerely,

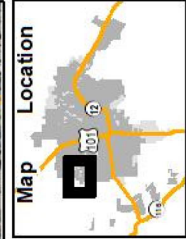

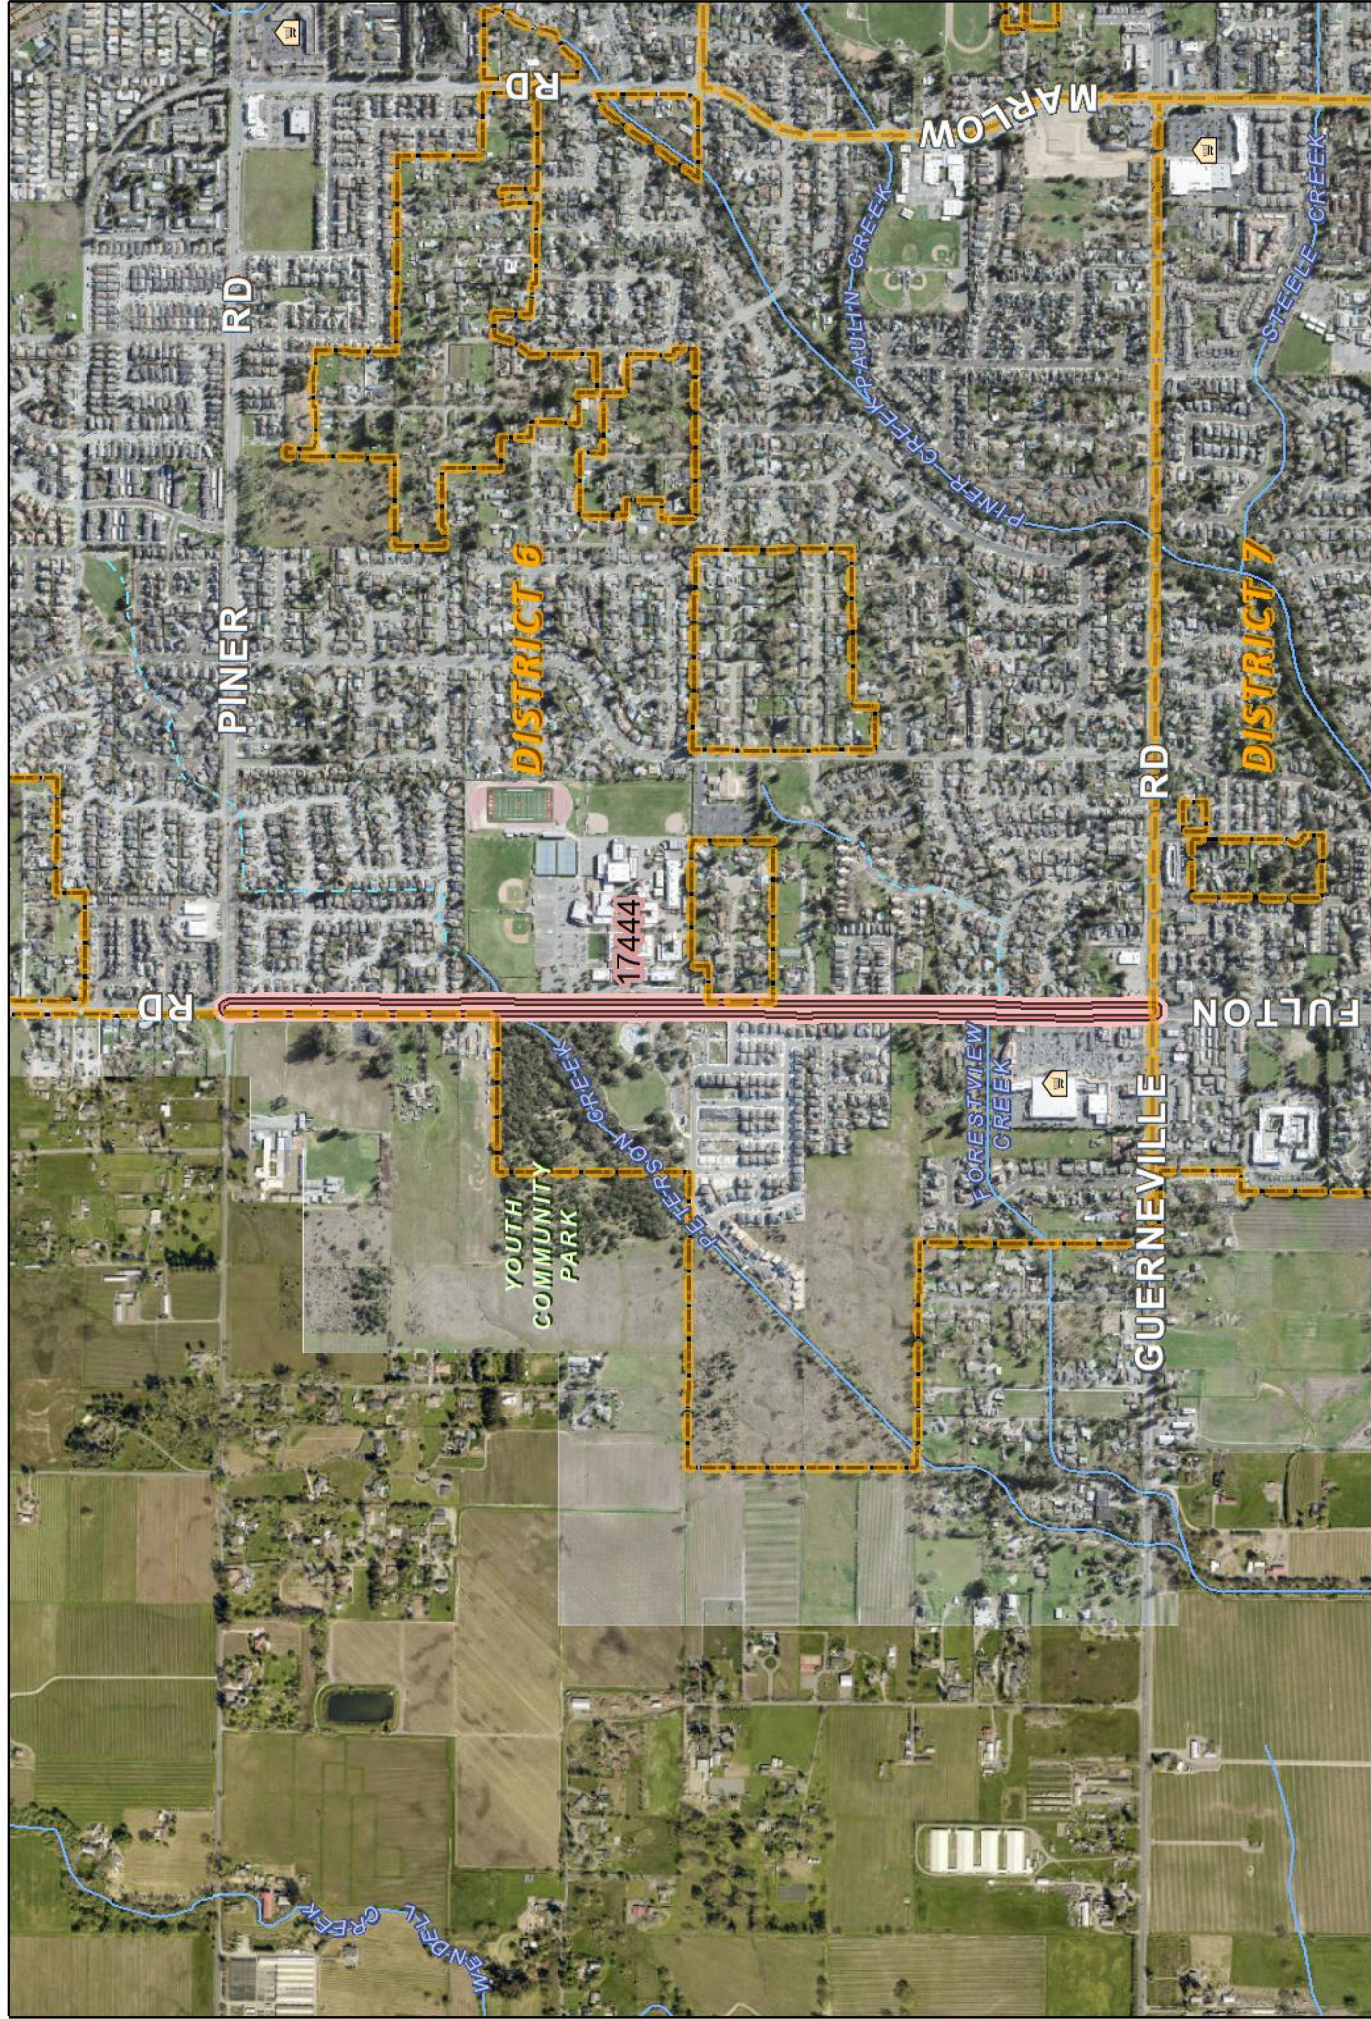

*Chris Catbagan*
