**HOEN AVENUE EMBANKMENT REPAIR
CONTRACT NO. C01539**

Residents/Property Owner:

The City of Santa Rosa has contracted with Uretek USA to stabilize Hoen Avenue between Brasher Court and Hoen Court by utilizing deep polymer injection technology, which is a cost saving pilot project for the City. The roadway within the project limits will be monitored for settlement and evaluated for roadway reconstruction alternatives.

Stabilization work is anticipated to start in the next few weeks and take approximately 3 weeks to complete. After stabilization work is complete, one lane will remain closed as it was prior to the work in order to monitor for settlement.

Hoen Avenue will be closed during work hours to through traffic with a provided detour for access around the site. Access to residences within the immediate closure area will be provided, however there will be parking restrictions in place.

For questions or if you feel you have any special access needs for your home or business during construction, you can contact me by phone at (707) 543-3838 or e-mail at gdwyer@srcity.org.

Sincerely,

Greg Dwyer (Sep 21, 2020 08:55 PDT)

GREG DWYER, P.E.
