## **FARMERS LANE WELL FACILITY REHABILITATION**

Dear Residents:

The City of Santa Rosa is contracting with Pacific Infrastructure for construction of the Farmers Lane Well Facility Rehabilitation project. Construction for the Well rehabilitation and upgrades is anticipated to begin in November 2017 and be completed by June 2018. See reverse for Well locations.

The work to be completed for rehabilitating the wells includes replacing the existing pumps with a submersible pump at W4-1 and a vertical in-line pump at W4-2; installing new electrical service, and replacing the buildings.

We will work with the contractor to maintain access, parking and a clean work area throughout the construction.

Though temporary impacts to your neighborhood are inevitable, our goal is to improve our community infrastructure without creating any more disturbance than necessary. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project. If you have special needs regarding access, or if you have any questions or concerns, please contact the Construction Manager or me at the following numbers:

Mark Jorgensen, Construction Manager  
Jillian Tilles, City Project Manager

(925) 249-0011, Office  
(707) 543-3878, Office

If you are aware of other occupants on your property who may not receive this notice, please share this notice with them or contact me with their address and I will notify them directly.

In addition to written communications like this, the City has created a special website where you can track the progress of this project. Simply go to [www.srcity.org/CIP](http://www.srcity.org/CIP), view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 01839.

The City values your feedback. Please tell us how we did in your neighborhood by completing a post-construction survey. The survey will be delivered by a City representative to homes and businesses in close proximity to the construction site upon completion of this project. You may also access the survey online at [www.srcity.org/construction](http://www.srcity.org/construction)

Sincerely,

A handwritten signature in green ink, appearing to read "Jillian Tilles".

JILLIAN TILLES  
Associate Civil Engineer
