**SANTA ROSA PAVEMENT REHABILITATION OF VARIOUS STREETS – CITY CONTRACT NO. C02089**

Dear Residents:

The City of Santa Rosa is contracting with Ghilotti Construction Company for construction of the above-referenced project. Construction will begin in December 2022 (weather permitting) and last approximately 13 weeks. This project will rehabilitate various streets including asphalt resurfacing, restriping, addition of bike lanes, and curb ramp improvements. The coverage of the project includes the following limits:

- Hearn Ave from Stony Point Rd to Dutton Ave
- Range Ave from Jennings Ave to Guerneville Rd
- Range Ave from Russell Ave to Bicentennial Wy

Completion of this project is vital to the integrity of our community infrastructure. Some of the benefits this project will bring to your neighborhood include:

- REPAIRING DAMAGED ROADWAYS
- ADDITIONAL BIKE LANES
- CURB RAMP IMPROVEMENTS

Though temporary impacts to your neighborhood are inevitable, our goal is to improve our community infrastructure without creating any more disturbance than necessary. The general construction hours will be limited from 8:00 am to 5:00 pm, Monday to Friday. All daily activities such as garbage pickup and mail delivery services will allow to take place with minimal impact when work is in order. If you have special needs regarding access, or if you have any questions or concerns.

If you are aware of other occupants on your property who may not receive this notice, please share this notice with them or contact me with their address and I will notify them directly.

In addition to written communications like this, the City has created a special website where you can track the progress of this project. Simply go to [www.srcity.org/CIP](http://www.srcity.org/CIP), view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 02089. Please also note that there will not be any future written communication through mail but instead, refer to the project website for update and contact information about the project.

The City values your feedback. Please tell us how we did in your neighborhood by completing a post-construction survey. The survey will be delivered by a City representative to homes and businesses in close proximity to the construction site upon completion of this project. You may also access the survey online at [www.srcity.org/construction](http://www.srcity.org/construction).

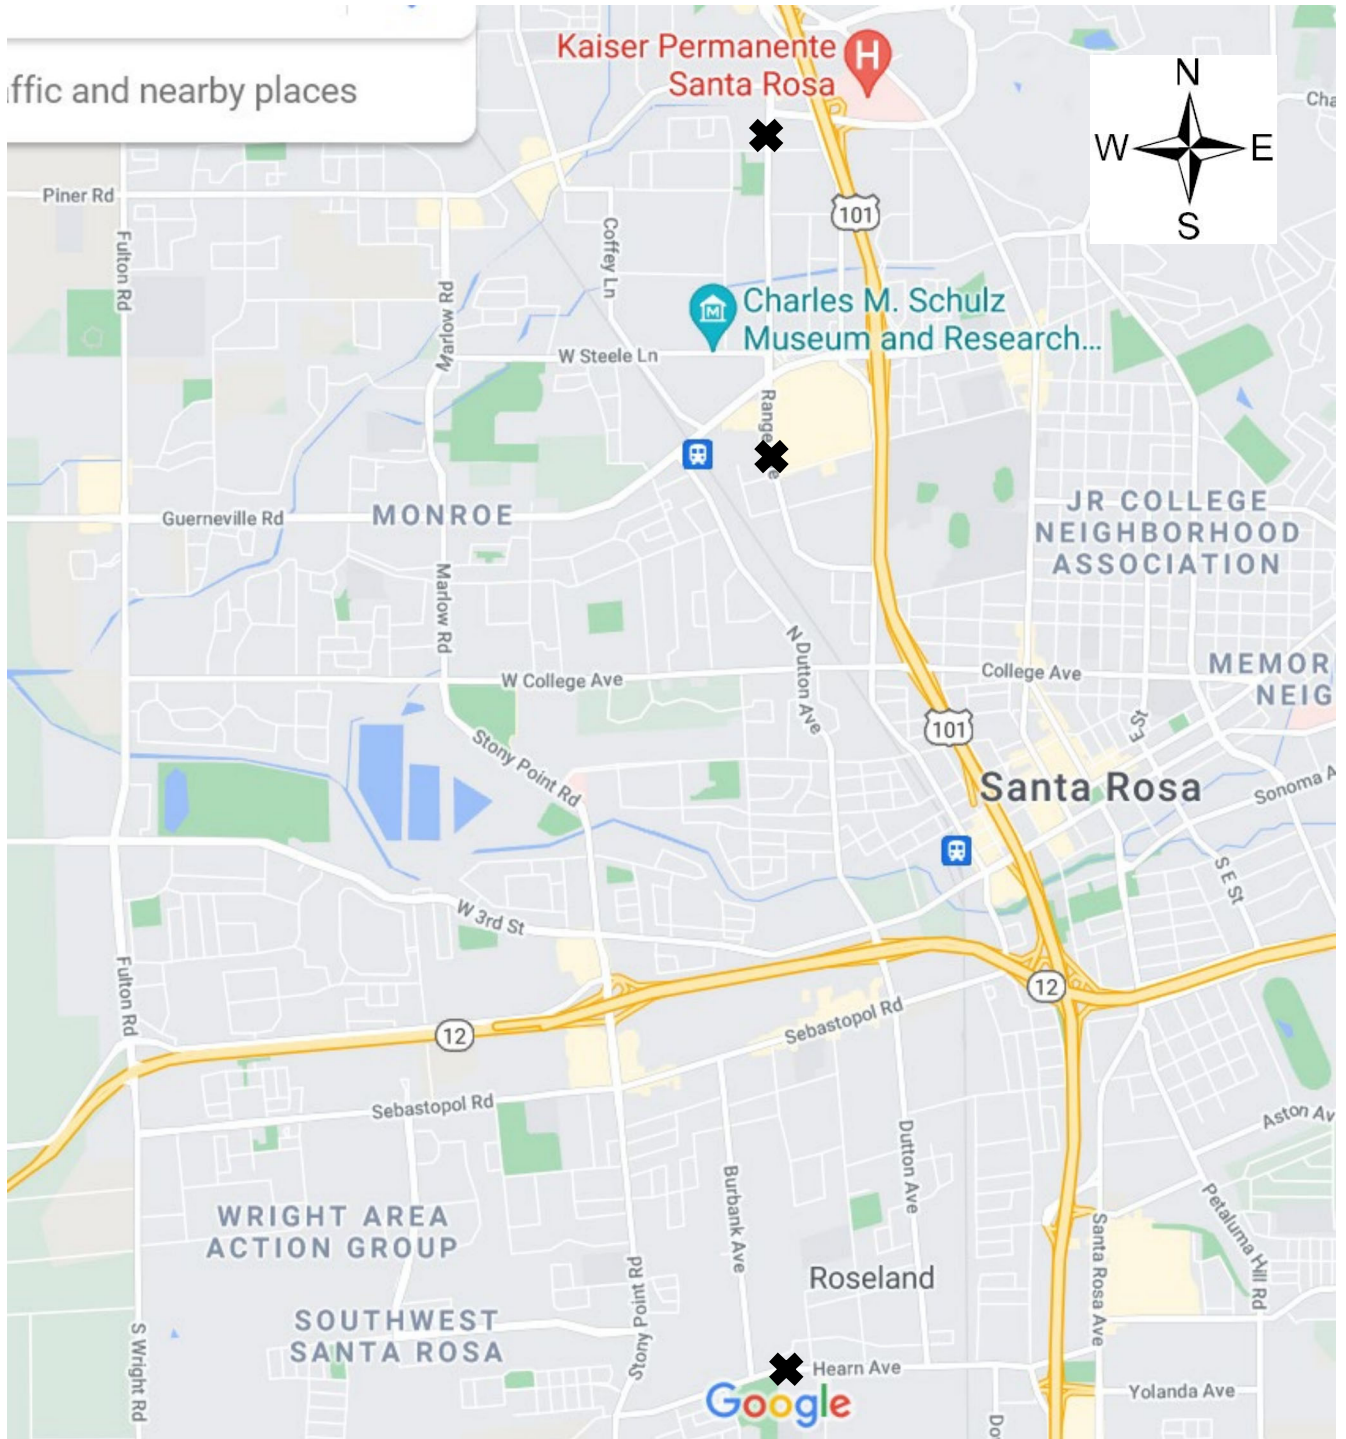

Sincerely,

Marcial Gonzalez (Nov 15, 2022 09:38 PST)
