**FLASHING YELLOW LEFT TURN ARROW RETROFIT – CITY CONTRACT NO. C02091**

Dear Residents:

The City of Santa Rosa is contracting with DC Electric Company, Inc. for construction of the above referenced project. Construction is expected to begin in March 2020 and completed by May 2020. The project includes the retrofit and upgrades to thirty-nine (39) signalized intersections with flashing yellow arrow displays to meet the current Federal and State Standards. Please see the attached map for Project Locations.

For more information on Flashing Yellow Arrows and to view a short video please use link below.

Though temporary impacts to your neighborhood are inevitable, our goal is to improve our community without creating any more disturbance than necessary. Pedestrian access to crosswalks within project limits and existing routes is to remain accessible during construction. Lane closures will be conducted between 8:30am-4:00pm. If you have special needs regarding access, or if you have any questions or concerns, please contact me at (707) 543-4508 ( email: [gbailey@srcity.org](mailto:gbailey@srcity.org)) or the City inspector Dave Stolle at (707) 543-3864.

In addition to written communications like this, the City has created a special website where you can track the progress of this project. Simply go to [www.srcity.org/CIP](http://www.srcity.org/CIP), view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 02091.

The City values your feedback. Please tell us how we did in your neighborhood by completing a post-construction survey. The survey will be delivered by a City representative to homes and businesses close to the construction sites upon completion of this project. You may also access the survey online at [www.srcity.org/construction](http://www.srcity.org/construction).

Sincerely,

GRANT BAILEY, P.E.

Associate Civil Engineer
