**BUILDING DEMOLITION-VARIOUS CITY LOCATIONS  
(2810 4<sup>th</sup> St)**

Dear Residents:

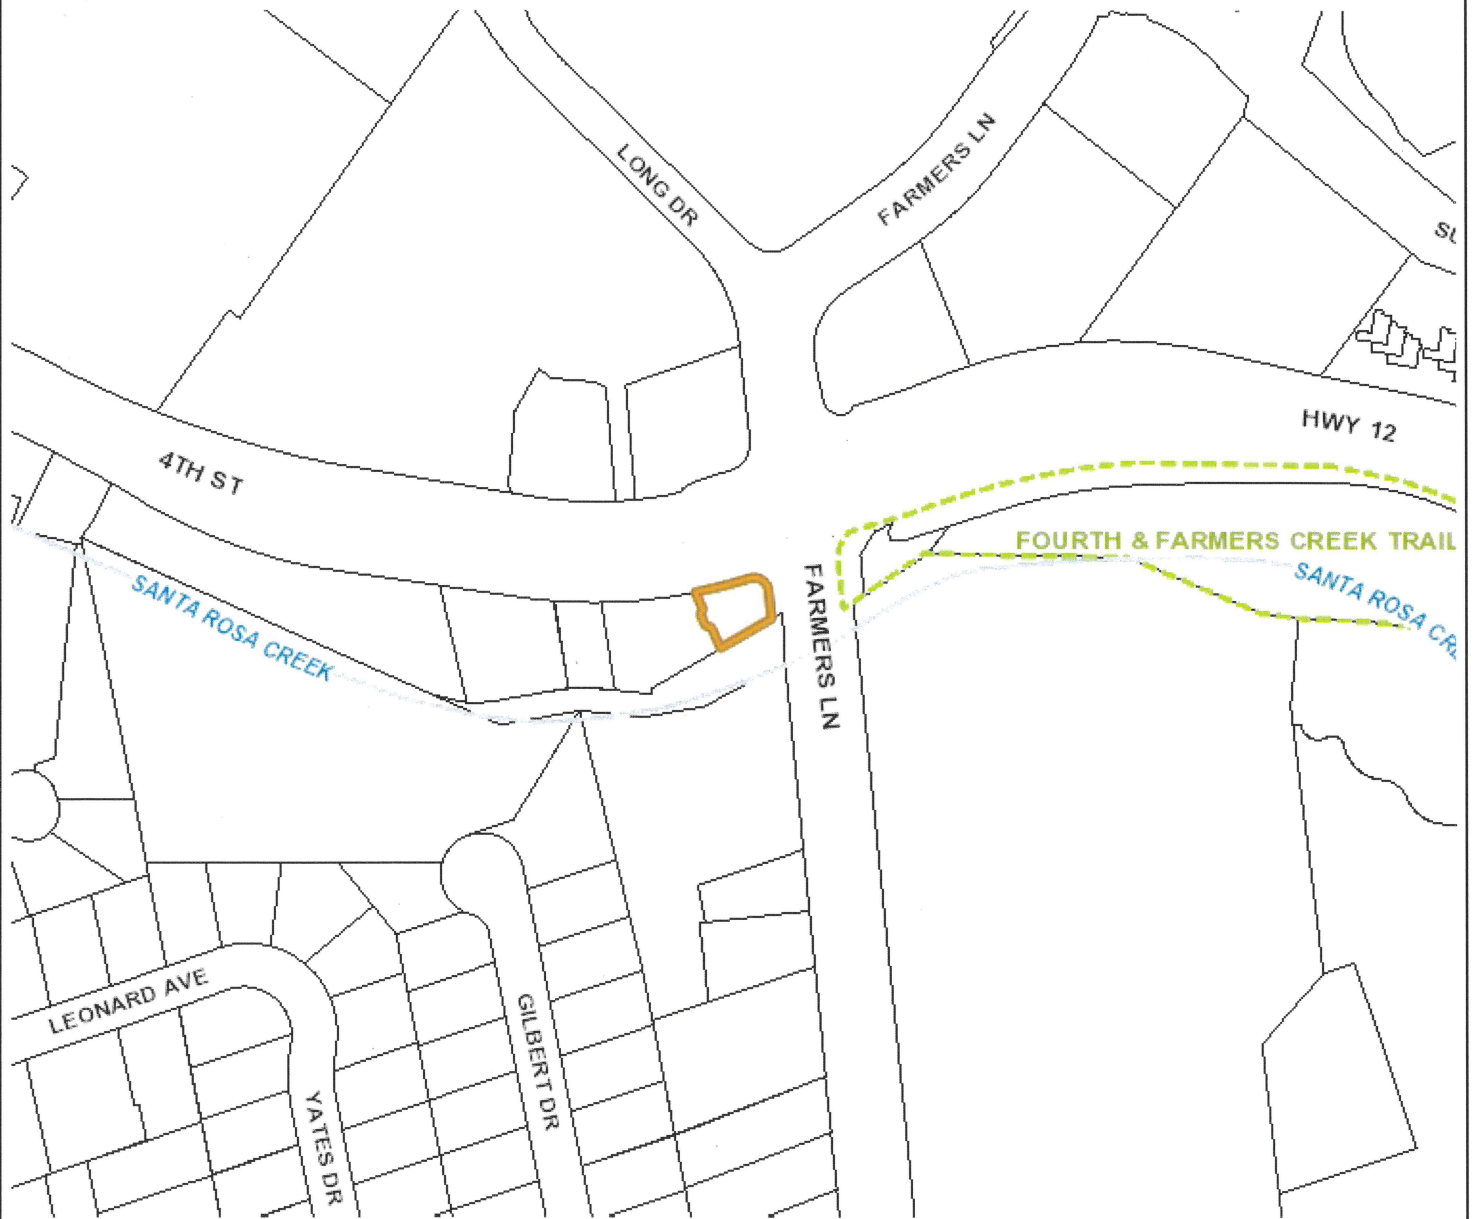

The City of Santa Rosa is finalizing plans to demolish the building at 2810 4<sup>th</sup> St (previously a liquor store). The building is being removed to make way for a proposed CalTrans project at the intersection of 4<sup>th</sup> St and Farmers Ln. The building being removed is part of a larger project that will remove unused buildings throughout the City of Santa Rosa. The overall project is anticipated to take 15 weeks, with an estimated start date of June of 2019 (see reverse for Project Limits).

Though temporary impacts to your neighborhood are inevitable, our goal is to complete the work without creating any more disturbance than necessary. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project. Please feel free to contact me at (707)543-4508 (or e-mail at [gbailey@srcity.org](mailto:gbailey@srcity.org)) if you have any questions or concerns.

We will update you with another letter approximately two weeks prior to the start of construction. In addition to written communications like this, the City has created a special website where you can track the progress of this project. Simply go to [www.srcity.org/CIP](http://www.srcity.org/CIP), view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 02162.

Sincerely,

GRANT BAILEY, P.E.  
Associate Civil Engineer
