C02234 SAMUEL JONES HALL ROOF REPLACEMENT, 4020 FINLEY AVE., SANTA ROSA

Dear Residents:

The City of Santa Rosa is contracting with Arntz Builders, Inc. for construction of the above referenced project. Construction will begin in September and last approximately 3 months. The project scope includes removal and replacement of the roof and rooftop mechanical air conditioning units. (see reverse for Project Limits).

Completion of this project is vital to the preservation of the building that provides shelter and services to persons experiencing homelessness.

Temporary impacts to your neighborhood are expected to include noise during construction hours from 8:00am to 5:00pm Monday through Sunday, deliveries to the project site, and trucks entering and exiting the roadway at the project site. If you have any questions or concerns, please contact me at the following number:

Lisa Welsh, City Project Manager

Office (707) 543-3909

If you are aware of other occupants on your property who may not receive this notice, please share this notice with them or contact me with their address and I will notify them directly.

In addition to written communications like this, the City has created a special website where you can track the progress of this project. Simply go to www.srcity.org/CIP, view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 02234.

The City values your feedback. Please tell us how we did in your neighborhood by completing a post-construction survey. The survey will be delivered by a City representative to homes and businesses in close proximity to the construction site upon completion of this project. You may also access the survey online at www.srcity.org/construction.

Sincerely,

LISA WELSH
Associate Civil Engineer
