**REMOVAL OF FIRE-DAMAGED HAZARDOUS TREES – CITY CONTRACT NO. C02260**

Dear Coffey Park Homeowner:

The City of Santa Rosa has contracted with Arborist Now, Inc. of San Francisco, CA to remove dead or dying street trees in your neighborhood. The trees to be removed have been marked with a small red dot on the lower part of the trunk on the street side.

You are receiving this notification because the street tree(s) in front of your house have been marked for removal. Depending on the tree crew's day to day progress, the work at your location will occur in the next day or two. If you do not want the trees removed, please contact the city's project manager, Danny Chen at 543-3911, [dchen@srcity.org](mailto:dchen@srcity.org), or Supervising Engineer, David Montague at 543-3860, [dmontague@srcity.org](mailto:dmontague@srcity.org).

Sincerely,

David Montague, Supervising Engineer
