

FEBRUARY 22, 2021

COURTHOUSE SQUARE BOLLARDS

Dear Residents:

The City of Santa Rosa is contracting with M3 Integrated Services, Inc. for construction of the above referenced project. Construction will begin on MARCH 8, 2021, and last approximately 8 weeks. Bollards will be installed at the back of curb on the north and south sides of Courthouse Square, approximately 85 linear feet on each side. The bollards will help protect Courthouse Square users from the possibility of vehicles entering the square from Mendocino Ave and/or Santa Rosa Ave. In addition to the bollard installation, curb ramps will be replaced on the north side of Fourth St at the intersection of Mendocino Ave as well. (see reverse for Project Limits).

Though temporary impacts to the area are inevitable, our goal is to improve our community infrastructure and usability without creating any more disturbance than necessary. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project. Courthouse Square will remain largely open during construction activities and residences and businesses fronting the Square should not be impacted. Additionally, the contractor will be required to maintain access to all dwellings and businesses throughout the duration of construction. If you have special needs regarding access, or if you have any questions or concerns, please contact the Construction Manager or me at the following numbers:

Matt McKamey, Construction Manager	(707) 791-7884, Office
Grant Bailey, City Project Manager	(707)543-4508, Office

If you are aware of other occupants on your property who may not receive this notice, please share this notice with them or contact me with their address and I will notify them directly.

In addition to written communications like this, the City has created a special website where you can track the progress of this project. Simply go to www.srcity.org/CIP, view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 02312.

The City values your feedback. Please tell us how we did in your neighborhood by completing a post-construction survey. The survey will be mailed to homes and businesses in close proximity to the construction site upon completion of this project. You may also access the survey online at www.srcity.org/construction.

Sincerely,

GRANT BAILEY, P.E.
Associate Civil Engineer
