**CLEVELAND AVE & ST. ROSE DISTRICT SEWER & WATER IMPROVEMENTS
PROJECT ID NO. 02041**

Dear Community Members:

The City of Santa Rosa is contracting with W.R. Forde Associates for the construction of the above-referenced project. Construction will begin in late May 2022 and last approximately 120 working days. The project consists of improvements to sewer facilities at Cleveland Avenue between Ridgway Avenue and Carrillo Street, 7th Street between A Street and B Street, and B Street at Healdsburg Avenue (see reverse for Project Limits).

Completion of this project is vital to the integrity of our community infrastructure. Some of the benefits this project will bring to your neighborhood include:

- Upgraded pipe materials to help improve the sewer system's performance.
- New sewer lines to (1) reduce the potential for blockages due to tree root intrusion and significantly reduce the need for repairs, and (2) reduce groundwater infiltration into the sewer system, which helps maintain the effectiveness of our Wastewater Treatment Plant.

Though temporary impacts to your neighborhood are inevitable, our goal is to improve our community infrastructure without creating any more disturbance than necessary. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project. If you have special needs regarding access, or if you have any questions or concerns, please contact the Construction Manager or me at the following numbers:

Jason Roberts, City Project Manager (707) 543-3857, Office

If you are aware of other occupants on your property who may not receive this notice, please share this notice with them or contact me with their address and I will notify them directly.

In addition to written communications like this, the City has a special website where you can track the progress of this project. Simply go to www.srcity.org/CIP, view the map, and click on the blue map pin that corresponds to this project. You can also view the list of all Capital Improvement Program projects and find this project under Project ID No: 02041.

The City values your feedback. Please tell us how we did in your neighborhood by completing a post-construction survey(available online at www.srcity.org/construction).

Sincerely,

Jason Roberts
