**RE: CALISTOGA ROAD PAVEMENT REHABILITATION AND UTILITY IMPROVEMENTS
MONTECITO BLVD TO HIGHWAY 12
CIP CONTRACT NUMBER: C02263**

Dear Residents:

The City of Santa Rosa is contracting with Argonaut Constructors for construction of the above referenced project. The Calistoga Road Reconstruction project will consist of construction activities between Montecito Boulevard and Highway 12 (see reverse for Project Limits). Construction will begin June 8th, 2026 and last approximately 17 months.

Completion of this project is vital to the integrity of our community infrastructure. Some of the benefits this project will bring to your neighborhood include:

- Reconstruction of Calistoga Road from Montecito Blvd to Highway 12
- Addition of buffered and/or protected bike lanes
- Upgrading curb ramps to current accessibility standards
- Upgrading sewer and water system infrastructure

Though temporary impacts to your neighborhood are inevitable, our goal is to improve our community infrastructure without creating any more disturbance than necessary. The Contractor will be advised that daily and weekly activities such as mail delivery and garbage service must continue during the project.

If you feel you have special access needs for your home or business during construction or any questions or concerns, please contact the Construction Manager or me at the following:

Mike Janet, Construction Manager (707) 636-7024 / (707)494-6464, Office/Cell
Peter Porata, City Project Manager (707) 543-3865, Office

If you are aware of other occupants on your property who may not receive this notice, please share this notice with them or contact me with their address and I will notify them directly.
